Same observation and same four noises
Teacher entropy (U tau3 CP70)
Student entropy (Clean CP140)
Action count (log)
Top 20% positions: 1145 per policy
Shared positions / selected positions (%)
85.3%
20.0%
Observed overlap
Random reference
Keep the same positions in each group
Mean teacher entropy minus student entropy
Groups defined by student entropy (low to high)
